Below is some information for your reference:

Management: The business of the Choir is managed by the Choir's Committee (elected At the AGM in March each year). Musical aspects are led by the Music Director.

Rehearsals: These are held weekly on Tuesdays from 7.30pm to 9.25pm generally from February to November. Inability to attend should be advised to the Music Director.

Readiness: While the Choir does not insist on a formal audition before accepting new members, we do require new members to demonstrate adequacy in singing their part. The prospective member will consult with his Part Leader to come to a joint decision on his readiness for full participation in the Choir, including performances.

Performances: The Choir performs at a range of venues with up to 10 being retirement villages and up to 4 larger events. Generally, these are on Tuesday evenings, with some on weekends. Participation is expected when possible. The uniform for performances is a distinctive coat, tie and name tag (all provided), and a white shirt, black trousers, and black shoes.

Fees: \$180pa upon official entry. This covers costs such as the hire of rehearsal venues, administration, royalties, uniforms and name tags, insurance, accompanist fees and performance fees.

Music: Members are provided with a rehearsal folder and a performance folder that should be used at all rehearsals and performances. The Choir's performance folders provide a consistent appearance to our audiences.

Behaviour: High standards of behaviour are expected at all times, in particular at performances, as this defines our professionalism. How we dress and concentrate on our work, makes a mark on our audiences.

COVID-19 Safety requirements: In March 2021 the Choir commenced meeting again in person for practices. Our COVID-19 Safety Plan and the Safety Plans of our practice and performance venues require particular actions by all choir members. You will be advised of these by the Choir COVID-19 Marshall.
