KU-RING-GAI MALE CHOIR — Notes

2026-2

Welcome to this second edition of KMC ***Notes*** in 2026 to keep our Patrons, Friends and Supporters informed about the Choir and up to date with what's happening.

Events during Term 2, 2026

During Term 2 we have been rehearsing regularly on Tuesday evenings, preparing for concerts at Huon Park Village and Alan Walker Village that will occur early in Term 3. As well, our Music Director, Warren Fisher, has been introducing us to new songs and reprising songs in our library sung quite a while ago. He is aiming to have a significant repertoire from which to choose for our major concert in the Hornsby RSL Showroom on Sunday, 8 November.

On Wednesday, 1 July, we went to Belrose to Hang-out with the Karinya Hummingsong Choir, which is one of eleven choirs in Sydney. 21 of our members braved a wintery Wednesday evening to celebrate choral singing with the ladies from the Karina Choir. The MD of the Karinya Choir is Kylie Tyson and of the KMC Warren Fisher.

After a variety of warmups led by the two MDs, the ladies of Karinya sang "Ke Arona", "Vuelie", "Song of Hope", "Ritmo", and "Always Remember us this Way", some accompanied by a drum.

Accompanied by Hank Xiang on piano, the KMC sang "What Would I Do Without My Music", "The Hippopotamus Song", "What a Wonderful World", and "You Raise Me Up". The most challenging part of the evening came with the choirs singing together. Kylie conducted "I Like the Flowers" and "Blue Moon" and Warren conducted "Singin' in the Rain". The evening concluded with supper. A good night was had by all.

How's the Choir going?

While the tide seems to be turning with a few prospective members joining us during the term, as always, we are keen to welcome additional singers, particularly tenors, to join us in our weekly celebration of choral music and friendship each Tuesday evening. We continue to search for about $6m^3$ of space we might use for storage of our spare blazers. For further information please contact the Secretary on info@kuringgaimalechoir.org.au.
